

Company Profile

About EIECS

Our journey started way back in 1996 with a thought to do our bit to save environment. Started with manufacturing & sales of plants & components for water /waste water treatment which gave birth to some renowned brands in sludge handling & environmental monitoring solutions. Later added solutions for burning issue of pollution related to AIR,WATER & SOLID Waste. Under our consolidation drive , **EIECS** is our latest venture catering to various environment related challenges i.e.

- Environmental Monitoring Systems with CPCB/SPCB configuration
- Treatment of Water/Waste Water-Recycling & Reuse & Treatment of Emission (DG Retrofit Systems)
- Solid waste Management
- Environmental Consulting

The company has an unbeatable professional expertise in above segments with visionary leadership, well trained in house staff, Training & research facility, & production units in order to further innovate and deliver the best in class products to customers.

OUR VISION MISSION & VALUES

Our Vision:-To become one of the top 5 companies by year 2025 in Environmental Services in India by creating meaningful & positive impact on environment through various initiatives/compliances adopted by Central Pollution Control Board & State Pollution Control Boards.

Mission: Providing most efficient products & Services that exceed the expectations of our customers and to build long lasting fruitful relationship with our clients by understanding their pain areas & taking charge of providing right & most economical solution for most of the environmental challenges.

Our Values: Integrity/Business Ethics , Trust building with all stake holders, Innovation, Agility & speed : These are core values of EIECS which are the basis of our systems & procedures.

Our Action: Design, Develop & Manufacture products required to meet the current & upcoming environmental market needs. Simultaneously, develop and implement best in class after sales service/service products to provide life cycle service support.

Our Strength:

- **25+ years** of enriching experience into Indian Environmental market.
- **Global Tie Ups-** strategic tie ups for technology with French & Japanese cos.
- **Service Oriented approach**
- **Industry Orientation-** In-depth knowledge of various priority segments i.e. **Industries-**Pulp & paper, Tennaries, Pharma, Automotive, dairy, Breweries & Distilleries,Paint, Metal,Power Plants, & many more.

Government Sector-Municipal Corporations (NDMC),Delhi Development Authority, RRVUNL,CETPs etc.

Hospitality-Hotels, Hospitals, Commercial Buildings, Realty sector,

- **Network-Customers-** (400+), Municipal Corporations, Central Pollution Control Board, State Pollution Control Boards,
- Professional & Competent leadership/management team

Leadership Team

Mr. TD Chhabra(Director-EIECS)

He is , founder & Director of EIECS. Has engineering background and past 25 years , he has raised various businesses into Environment domain & through EIECS he has consolidated different businesses . His magical vision regarding future needs of Indian Environment market has gave birth to various verticals i.e. Environmental Monitoring & Solid Waste management

Dr. V.P. Pankaj (Director- EIECS)

He has environmental Engineering background & has doctorate in environmental Engineering . Has 15 years of enriching experience into environmental management including his tenure in renowned Govt. regulatory body CPCB (Central Pollution Control Board). He is having credential of more than 20 research papers He has done various consultancy assignment and added two major verticals i.e. Environmental Consulting & Waste Treatment (waste water treatment/Management & Emission Treatment (DG Retrofit Systems).

Mr. Sonu Tandon (Vice President-EIECS)

Apart from having engineering & management qualification, he is certified Energy Auditor (BEE) & also BOE (boiler operation engineer). He has 25 years of enriching experience into value added services related to Water/waste Water management, HVAC & other engineered products & projects . Worked with Indian & MNCs for Pan India responsibilities (Voltas/Pentair /Enhanced wapp/Shinryo). He is Instrumental in developing new verticals (Start-ups). Has executed airport revival /other projects (T2 of IGI) under DIAL/GMR & AAI.

OVERVIEW OF SOLUTION

A. Environmental Monitoring	
A1	Online Effluent Analyzer-(pH, TSS,BOD,COD)& industry specific
A2	Online Emission Analyzer –PM Analyzer (Particulate Matter)
A3	Online Emission Analyzer –Gas (SOx ,NOx ,CO & industry specific
A4	Flow meters
A5	PTZ Camera
A6	Display Boards
A7	Pizometer
A8	Connectivity with SPCB /CPCB(Own Cloud) Solution- Analyzer (Monitoring Device) + Data Transmission system + Configuration (With PCBs/CPCB) + Lifetime services
A9	Cloud service for 24x7 monitoring (for automation)
B. Treatment & Management of Waste Water	
B1	New Plants-STP/ETP/WTPs
B2	Recycling & Reuse of waste water
B3	Services-Operation & Maintenance of STPs/ETPs
B4	Water & Waste Water Treatment components- - Automatic Chemical Dosing systems, Sludge dewatering systems-(P.P. Filter press, Centrifuge machine/Screw Press),Oil skimmer (Belt and Tube type), Bio Pac media/ Tube Pac media/ Fill Pac media,Fine and Coarse Bubble Diffusers (Tubular/ Disc ype),Portable and laboratories Multi parameter instruments, Bio-methanation /Bio Gas Plant.
C Emission Reducing /Control Systems	
C1	Retrofit Emission Control Device as per CPCB/SPCB Guidelines
C2	Dual Fuel System for DG Sets
D- Solid Waste management	
D1	Composting from Solid Waste (projects) -City/Garden etc.
D2	Composting Machines (OWCs)
D3	Door to Door Collection of SW to final Disposal
D\$	Legacy waste management/Bio Mining
E- Environmental Consulting	
D1	Compliance Management (Air/water/Plastic/E-waste/Other)
D2	Adequacy Report for STP/ETP/ With CPCB/SPCBs

OUR CUSTOMER SEGMENTS

Industrial-

- ✓ Infra Projects
- ✓ CETPs
- ✓ Distillery
- ✓ Slaughter House
- ✓ Laboratories
- ✓ Automotive
- ✓ Power Plants
- ✓ Chemical
- ✓ Food
- ✓ Leather
- ✓ Pulp & paper
- ✓ Drugs
- ✓ Metal
- ✓ Dairy
- ✓ Textile

Hospitality-

- ✓ Hotels
- ✓ Malls
- ✓ Hospitals
- ✓ Power Plants
- ✓ Commercial Buildings
- ✓ Drugs

Government/Institutional

- ✓ Municipal Corporation NDMC
- ✓ AIIMS
- ✓ DSIIDC
- ✓ Delhi Development Authority
- ✓ RRVUNL
- ✓ CETP
